

SCIRA Low Point Scoring Table

DNF (did not finish)	Points equal to one more than the last boat finishing.
DNF (out of time limit)	Points equal to one more than the last boat finishing.
RAF (retire after finishing)	Points equal to the number of boats starting the race.
DSQ (disqualified)	Points equal to the number of boats starting the race + 10%
OCS (premature starter)	Points equal to the number of boats starting the race + 10%
DNE (disqualification not excusable)	Awarded points of DSQ
<p>(Not eligible to be discarded in a regatta allowing a drop race)</p> <p>1. ISAF 42 © Points and Places</p>	

SCIRA Low Point Scoring Table

DNC (did not compete)	Points equal to the number of registered boats
RDG (redress given)	Points equal to the average earned in the series, excluding a drop race, if any, and the race in question
CNF (check in failure)	Points are added to the finishing position equal to 10% of the starters in that race. Finish position does not change
ZPF (20% Penalty under Rule 30.2)	Points are added to the finishing position equal to 20% of the boats registered in that series. Finish position does not change.
Tie Breaking	<p>a) In case of tie scores, the score of the drop race shall first be included to break the tie.</p> <p>b) If the tie persists, the boat that beat the other more times shall win the tie.</p> <p>c) If the tie still persists, the boat that beat the other in the last race shall win the tie</p>
Definition:	
Check-in:	A boat that checks in for a race is automatically ranked as a starter for that race.
